Important information!

We have seen an increase in pedal cycles being stolen and sheds being entered, also vehicles being entered, and property stolen from within. Please do not leave anything on show in vehicles, even if the item has little/no value, it is still a target for light fingered thieves. The number of vehicles we see with handbags or bags in general on show makes it too easy for someone to break in. CCTV is always a great addition to any household where available. If anyone sees any suspicious activity day or night, please call 999 immediately.
