SAFER **Neighbourhood** NEWS

Since Monday 15th of July 2024, the Clay Cross 'Public Space Protection Order' (PSPO) has been put in place. And this covers the areas of Clay Cross, Danesmoor, Holmgate and Old Tupton. This is running until July 2027.

What is covered under the PSPO? The order will prohibit any person from participating in or taking part in antisocial behaviour including **(but not limited to)** the following activities:

No person shall within the restricted area:

- Behave (either individually or in a group of 2 or more people) in a manner that causes or is likely to cause harassment alarm or distress to a member of public. This includes the use of E-Scooters.
- Ingest, inhale, inject, smoke, possess or otherwise use controlled or intoxicating substances.
- Sell or supply controlled or intoxicating substances.
- No person shall within the restricted area refuse to stop drinking alcohol or hand over any containers (sealed or unsealed) which are believed to contain alcohol, when required to do so by an authorised person.
- Loitering by persons in council housing blocks and estates (including but not limited to any stairwell, lobby area, and communal balconies) causing or likely to cause nuisance, intimidation, harassment, alarm or distress or using or dealing drugs directly or indirectly causing damage or other ASB.
- Loitering by persons at any retail premises causing or likely to cause nuisance, intimidation, harassment, alarm or distress or using or dealing drugs directly or indirectly causing damage or other ASB.

If a Police Constable, PCSO or any other Authorised Person reasonably believes that a person has acted, or likely to act, contrary to the restrictions placed upon them by this Order, they must leave "the Controlled Zone" or specified location forthwith and not return within a specified period up to a maximum of 48 hours when instructed to do so. A breach of the PSPO could mean a Fixed Penalty Notice of a £100 fine. Or this could lead to an arrest, and/or court action if the behaviour persists which could lead to a fine of up to £1000.

The full details and map are available to view via the North East Derbyshire District Council website.
