PC LIMB has been out with the local Breaston Speed watch team, providing a visual presence and targeting speeding motorists. Road safety is a priority for the Long Eaton SNT team. A crime will be recorded against anyone who is abusive towards the Erewash Speed watch volunteers. 2 local residents have been visited.

There has been an increase in anti-social behaviour / damage at the BMX track / park, off Hopwell Road in Draycott. We are currently increasing our patrols in the area and will be dealing with any issues or offences we come across.

Following complaints of dangerous parking outside local schools, PC LIMB has completed patrols and will continue to do so.
