January 2025

Clay Cross Safer Neighbourhood Team

Happy New Year to all those who reside and work in North-East Derbyshire and Bolsover authorities. As the LPU inspector for the area I want to introduce myself to you again as we enter 2025 and outline some highlights as we start the year.

- All crime reduced by 7%.
- Residential burglary reduced by 27.8%.
- Anti Social Behaviour incidents reduced by 12.8%.

I will endeavour to build on this and continue to give your local neighbourhood policing teams the time, resources, and training so that they can provide a great service to our local communities. If you have any thoughts about what and where we can improve please utilise www.derbyshirealert.co.uk

I look forward to speaking to as many of you as I can over the next 12 months.

Insp Matthew BROWN
NE Section
