

# SAFER Neighbourhood NEWS

Matlock and Tansley Safer Neighbourhood Team.

March 2024

## In this edition

- Community Events
- Antisocial Behaviour
- Free Tool Marking
- Speeding Safety Checks

**Your Safer Neighbourhood Team have been to the following events with information and advice:**

**Tansley Primary School**, delivering county lines and road safety talks. Fabulous school with lovely children who always listen carefully.

**Boys Brigade Matlock** have had an introduction talk on what we do and the role of a PCSO, detailing how we serve our community.

**Matlock Scout Group** have been visited and County Lines talk has been delivered. It was well received, and the children now have the knowledge on how to get help if needed.

## Current ongoing issues in Matlock.

We are working incredibly hard dealing with Antisocial behaviour and nuisance motorbikes. Please report any problems you see in the community. If it is not reported, we don't know it is happening.

We have been conducting house to house surveys which give us information to where or when problems arise, this can often be after an event has happened. It would be great if reports are given to us quickly to enable swift and appropriate action to be taken to prevent escalation. We urge parents to know where and what their children are doing when unsupervised as Matlock is a safe town with lots to offer, let's not let people who do not appreciate the Town to litter and destroy facilities which are there for everyone to enjoy.

Antisocial behaviour will not be tolerated, and we will act against anyone who commits it in our community.

Making Derbyshire Safer **Together**

# SAFER Neighbourhood NEWS

We are still offering FREE tool marking. We will be at TWIGG'S Matlock on the 8<sup>th</sup> March 2024 from 09.30am. Pop by and get your tools marked and collect van stickers if required for tradesman.

We are also holding a FREE tool marking and bike marking event in Hall Leys Park on Saturday 30<sup>th</sup> March 10.00am-12.00pm. Why not take this opportunity to pop along to meet your local Safer Neighbourhood Team and raise any concerns you may have about our local community? We are also hoping to bring a vehicle with us so that young children can come and have a look and ask any questions should they have any, or even have their photo taken!

We are always conducting Speed Safety Checks throughout Matlock, we hope to carry out enforcement to help protect other road users and pedestrians alike. We are listening to the ongoing concerns and reports being fed to us by the public and will take action where necessary.
